

Your receptionist setup checklist

[Practice name] · [Package] · About 30 minutes. Please don't include passwords, API keys or patient details anywhere in this form.

A. Your practice

	Question	Your answer
☐	Practice name, as callers should hear it	
☐	Address and time zone	
☐	Opening hours for each day, including lunch closures and public holidays	
☐	Appointment types the receptionist may book, each with its length in minutes (e.g. new-patient check-up, 60 min)	
☐	Which of those a new patient may book without speaking to your team	
☐	Anything that must never be booked by phone (e.g. extractions, sedation)	
☐	Fees or policies you are happy for it to quote (only published ones)	

B. Calendar and calls

	Step	Done
☐	Practice-management / booking system you use today (e.g. Dentally, Core Practice, D4W, Google Calendar, Cal.com, other)	
☐	Booking Mode that follows from that (M&U confirms): ☐ Booked ☐ Booking request / lead capture	
☐	If Booked: calendar it books into — ☐ Google Calendar ☐ Cal.com (a dedicated booking calendar is fine)	
☐	You grant access from your own account during kickoff (we never ask for passwords)	
☐	Who copies bookings into your practice software, if you use one	
☐	Cover you want at go-live: ☐ after hours ☐ when busy / no answer (overflow) ☐ all calls, alongside your team (if your package includes it)	
☐	Your phone provider, and who can switch call forwarding on and off (codes: <i>call-forwarding-guide.md</i> — your number is never changed or ported)	
☐	Existing voicemail stays on as a fallback	

C. Urgent calls and alerts

Question		Your answer
☐	What callers should hear for urgent dental problems after hours (e.g. on-call number or referral service). Life-threatening emergencies are always told to call 000 first.	
☐	Email address(es) for booking and urgent-message alerts	
☐	Day-to-day contact for M&U (name, role)	

D. Privacy and consent

Confirmation		Yes / No
☐	Callers are told they are speaking with an automated assistant and that the call is recorded	
☐	Your privacy policy will mention the AI receptionist, call recording and overseas service providers before go-live (we send suggested wording). Link:	
☐	Callers who agree may receive SMS booking confirmations (and reminders on Professional and Premium), each with "Reply STOP to opt out"	
☐	Recording and call-record retention period agreed: ☐ 30 ☐ 60 ☐ 90 days	

E. Testing and Acceptance

Step		Date
☐	Call forwarding switched on in the agreed cover (until Acceptance your line only takes messages)	
☐	Go-live test calls together: a booking (or booking request), an urgent-wording call, calls through your cover and forwarding, and a text if SMS is set up	
☐	You confirm in writing that the tests passed (Acceptance: monthly billing and the minimum term start)
